WHAT IS EVERYDAY UV LOTION?

A lightweight, water-resistant SPF 30+ sunscreen lotion for face and body.

SKIN TYPES

Ideal for all skin types, four months of age and up.

KEY INGREDIENTS	BENEFITS
PARSOL	Powerful, broad-spectrum UV protection that doesn't leave a residue to make skin feel heavy
SP3 COMPLEX	Combination of UV screening agents that give the product high water resistance (up to 80 minutes) and photostability to prevent degrading in sunlight
VITAMIN E	Antioxidant-rich extract to protect from free radicals triggered by sunlight, tobacco smoke, and smog

ADDITIONAL BENEFITS

- Convenient slim travel tube is perfect for on-the-go UV protection

PRODUCT USAGE

Apply generously to face, neck, and body 30 minutes prior to sun exposure for powerful UV coverage from head to toe. For continuous protection, reapply during prolonged sun exposure and after swimming or exercise.

SUPERGOOP! SUN TIP

Maintaining total UV protection all year long—and on the go—is simple with Everyday UV lotion.
