Available in Nordstrom and Barneys NY stores nationwide, Nordstrom.com, Barneys.com, and Supergoop.com

WHAT IS SAVE FACE SUNSCREEN SERUM?

An ultra-light serum that simultaneously protects skin daily from UVA and UVB sun exposure, combats premature skin aging, and moisturizes.

SKIN TYPES

Ideal for normal to dry skin types, especially skin that has started to show signs of aging and needs more intensive treatment and protection.

KEY INGREDIENTS	BENEFITS
UNIPROTECT PT-3	Unique bioactive complex stimulates and accelerates the skin's DNA and UV repair mechanism while protecting skin proteins from UV-induced oxidation
PARSOL	Provides high UV protection
VITAMINS E AND B5	Protects skin from ozone and pollution damage and improves skin's ability to absorb topical nutrients
HYDROVITON 24	Advanced 24-hour moisturizing complex that helps skin feel supple and smooth, and strengthens the skin's barrier to reduce water and nutrient loss

ADDITIONAL BENEFITS

- Smooth wrinkles and fine lines
- Counteracts the signs of skin aging

PRODUCT USAGE

Apply one to two pumps of product to face and neck each morning. Massage into skin and leave on. Can be used alone or under makeup as a primer. Reapply after swimming or exposure to water.

SUPERGOOP! SUN TIP

Streamline your beauty routine and wear the Sunscreen Serum in place of foundation makeup to provide smooth, flawless coverage.
